Hire a team in four simple steps

01 ———— **02** ———— **03** ———— **04**

Describe your needs

Tell us your technology requirements and describe your project using our contact form.

Schedule meeting to align on goals

No one-size-fits-all. We always create a unique team augmentation strategy.

Select your team

Our HR and tech leaders provide you CVs. You interview and select each candidate who will join your team.

Start your project with remote talent

We seal the deal with a contract and launch your remote team.
